Vibrators sure do cum in handy. They're just the right plaything when I'm in the mood and there's no man-cock around. Cocks can be soft and flaccid at times, but our mouths and pussies warm them up quickly, and some stay hard a long time, others not so much. However, vibes are always there for me!

A year ago, I didn't think I'd be doing this but here I am. Sex has taken on a whole new meaning for me. I used to think that sex with love was the best, and it still is, but in a different way than it used to be. If you're just looking for the sex part of it, you don't need love. And with love, you still need to have sex. And since I discovered anal sex, I can't get enough and you can watch me.

a stranger in the line

I admit I was swayed by a seemingly innocent guy, until I ended up having sex with him within an hour.

My girlfriends and I had been out shopping since Spring broke. The winter was long and cold, and I was wanting to upgrade my cell phone. So I convinced them to come and hang with me. We went to one of those large electronics stores and, to my surprise, there are several people in line to get phones. My chances were good that I could get mine in pink. Being a catty group of girls we talked constantly and a little loudly. Occasionally the guy behind us chimed in every once in awhile, adding his own spin into our conversation. Turns out he was also going to our college. We ran the gambit of topics from classes to relationships. I personally was avoiding the last as my last relationship didn't start or end well.

Shortly before the phones were going to go on sale, a manager told us they needed another half hour to get the phones ready, and they were not taking any trade-ins. What! That royally screwed me. I was counting on getting some cash for my phone to buy my new one. Jayden, the guy behind us, picked up on my frustration and asked what was wrong.

"I was counting on selling my phone to cover the cost of the iPhone."

"Oh," he replied. "Maybe I could help you out. After I buy mine, I'll give you my gift card so you can buy yours."

"Really? That's so nice."

"I don't mind" he said as he stood up from sitting on the floor. "I'm going to stretch my legs. Would you mind holding

my spot?"

"I could enjoy a little walk around the store, too, if you don't mind some company?" Turning to my roommates, "We're going to go for a walk and stretch our legs. Hold our spot?"

We walked around the store talking about this and that. He kept going back to relationships, which made me a little uncomfortable. I started opening up about ex who I have no idea why I started seeing him in the first place. He wasn't my type, I guess I was feeling lonely and wanted someone to fill the void.

I didn't tell Jayden about all of this but alluded to some of it without the sad details. He seems compassionate just to listen.

Then he said, "I've never been the kind of guy that beats off, if you know what I mean. I think you are very pretty and I was wondering if you would be willing to help me out."

What!?! I have never had anyone be so direct in asking for sexual favors. I was taken aback and wasn't even sure if our brief encounter was grounds for such a comment. Choked up about the request I responded, "Um...I don't know Jayden."

"It's ok if you don't want to do it. I understand. I figured I probably won't see you again and just wanted a lasting memory of you so I wouldn't forget."

His magic was working and whether he knew it or not he was starting to wear down my defenses. My brain was telling me to run, but other parts were thinking "Hold on now, this might be worth ex-

ploring.” As typical with my decisions, the brain lost.

“So you don’t just jerk off when you feel like it?” I couldn’t even believe the those words had come out of my mouth to this stranger. I tried convincing myself that we had been talking for the better part of a hour and a half.

“No, I don’t. My parents were really strict and it’s just something that has stuck with me. But it’s ok. I’m sorry I said anything. We should probably head back. Maybe the line has moved.”

Great, now I have embarrassed him, possibly. Ugh, why did I have to react like that. Now my mind was wondering. While I do enjoy self pleasure, it had been quite a while since I, or anyone else for that matter, had visited my lower region lately. I stopped walking and grabbed his hand causing him to turn and face me. With a smile, “How do you want to do this?”

He looked puzzled for a second and I confirmed with a wink my desire to “help” him. He guided me to the back of the store. There was an unoccupied family restroom which we took over. A quick lock of the door would ensure our safety for awhile. I could tell his heart was about to explode out of his chest. I don’t think he expected his plan to work.

I went right to work, dropping to my knees and unbuckled his pants. He seemed nervous. I pulled his pants down and his cock strained against his underwear. I took my index finger and traced over it. It flinched at my touch and he held his breath. I continued this a few more times before sliding his underwear down and exposing his cock. It stood at attention, I good seven inches in length with the right amount of thickness. My right hand wrapped around it at the base. I stroked upwards allowing my thumb to run over the underside of his head and across the tip. He let out a low moan as his eyes became slivers.

After a minute, precum started to form and I rolled it around the head. I took my other hand and massaged his

balls which caused more moaning. This time I told him to be more quiet. He started swaying his hips back and forth in rhythm. This continued on for another ten minutes and I was surprised he hadn’t cum yet. I was beginning to think I was losing my touch. I decided to up the ante. I opened my mouth and let my tongue glide over the tip. This caused him to look down at me in approval. I swirled the head with my tongue a couple more times and then engulfed it. I continued to stroke his shaft while I sucked the head. Still no cum. I couldn’t believe he was still able to hold back.

I stopped stroking with my hand at the base and slid more of his cock into my mouth. I could feel it pulsate as it moved past my lips. This was turning me on and I could feel that familiar dampness down below. I knew after I was done shopping that I was going to fuck the daylights out of myself before drifting off to sleep.

My lips touched my fingers that had encircled the base. I basically had him entirely in my mouth. I smiled knowing that he would be blowing his wad soon. I slid up and down his cock increasing the pace each time. It wasn’t long before I stopped and just let him fuck my mouth. His hips thrust at me furiously.

He placed his hand on the back of my head and I prepared myself for a deep cum unto my throat, which he was hitting the back of. I fought off my gag reflex as much as I could. To my surprise, he pulled out at the last second sending gushes of cum all over my glasses and cheek. A move that I was not happy about. If I knew he was going to facial me, I would have take my glasses off.

He mumbled out some meek apology in between trying to catch his breath. Something about he didn’t think I would be able to take it with him hitting the back of my throat. I stood up and turned toward the sink. I removed my glasses, turned the water on, and started rinsing them off. He closed the gap and I could feel his whimpering cock bumping

I felt his breath

against my ass.

I was no longer interested because of what had transpired. His hands were on my hips and I wiggled to try and break free. He took that as an invitation.

In one fluid motion, he dropped to his knees behind me pulling my pants down with him. "What are you doing?!" I exclaimed. He responded by tracing my puff lips through my panties. I'm sure the wet spot that had formed was more than obvious.

No matter what I could say or do, my lower half was now doing all of the talking. I muttered something else as he increased the pressure in his tracings. The next words out of my mouth now were moans. He did this a couple more times before pulling my panties down.

He put his other hand on my lower back as his way of telling me to stay bent over the second. Now he was running his finger from the front to the back of my pussy.

My juices were flowing covering his finger. He added a second finger and then switched to using his thumb on my clit. I felt his breath across my ass as he lowered himself and began sucking on my pussy lips. I felt like I was going to melt with his touch. He had me, what ever he wanted to do. The sucking on my lower lips from behind caused my clit to pull tightly against his thumb as he rubbed it back and forth. My orgasm was moments away.

He then traced his tongue up to my asshole. I've always been a fan of a little backdoor action. I felt his tongue probing me and then he placed both of his hands on my asscheeks. He gently pulled them apart allowing his tongue more access. I was rocking myself back against his mouth. I wanted something hard inside of me, I needed to be fucked. He then raised up and I felt his cock against my pussy. It was regaining its' strength and looking for a hole. He reached down and aimed in. It felt so good sliding into me. It was just big enough to fill every inch of me up.

Once inside, he held it there for a moment and reached up under my sweater. He freed one of my breasts from my bra and began playing with my nipple. He set a quick pace of sliding in and out. With each thrust I was meeting him pushing back as hard as I could.

We were both moaning uncontrollably. His thumb and index finger trapped my nipple causing it to be pulled as I pushed back against him. This only intensified the overwhelming orgasm that was now fast approaching. My breathing was sporadic and had cut off my moans as I raced to the finish.

He was pounding against me as hard and fast as he could. His balls bounced against my clit finally throwing me over the edge. I came hard and repeatedly as he didn't let up on the assault. I orgasmed twice when he finally unloaded in me. That caused a much quicker but shorter orgasm, my third. If he hadn't pinned me against the sink I would have collapsed into a puddle on the floor. He pumped in me a few more times and fired off two more squirts that I could feel.

Once our breathing had returned to normal. He pulled out and I felt our juices run out of me and start trickling down my leg. Some of it dropped directly out on to my panties. I put my glasses back on and composed myself.

"Thanks, that was far better than I could have ever dreamed," he said with a smile.

"Anytime," I replied and meant it.

We slipped out and back to the line without any notice. I'm sure the next person to use the family restroom would smell the sex that filled the air. When I got back home, my roommate passed out on the couch. She couldn't even make it back to her room. I laid in bed thinking about Jayden. It wasn't long before my hand ventured inside of my panties for one last go around. I used my new phone to surf some porn for assistance. Afterwards I had no trouble going to sleep.

I like to stay in top physical condition. Why? Because of men and cocks like Tyler's. I can take really big cocks and enjoy them. Many of my girlfriends find them too much to deal with. They just can't handle the length. It hurts when it goes all the way in, they say. I say, bring it on and put it in... all the way in!

JESSA
RHODES

A blonde woman with shoulder-length hair is posing in a pool area. She is wearing a light blue, backless crop top and matching light blue underwear with a yellow lace trim. She is smiling and looking over her shoulder at the camera. Her hands are on her hips. The background shows a brick wall and some greenery.

I did not know the power of the pussy until I was alone and began to explore and understand my body. It's great to have sex with guys and girls, but those sex encounters have to be orchestrated. When it's just me and my vibe or my dildo, I'm a happy camper and I can do to me whatever I want to do to me. And I want you to watch me online.

online daydreaming

In today's world, dating has become a tricky proposition. Oftentimes the best solution is to just fantasize. It's the way things are done.

Last night I had my first video chat online with a guy from one of my classes. He lives on the opposite side of town and it's quite a distance across the valley. So, we've been video chatting. Lately, it's been getting hotter and hotter, but only in the video chat. In the classroom, it's all business and since we only have a few minutes between classes, it's very hard to get any time with him. So I've been daydreaming about him, perhaps more than I should.

We started off in your room kissing. It was very nice, soft tender, nibbling, licking, sucking each other's lips and neck and ears. My hands were in your hair pulling you down to me, then all over your chest and arms and back, just running my fingertips lightly all over.. making you shiver and moan. Your big hands were all over my back and ass, pressing me tight against you.

Your teeth on my neck had me moaning into your ear, and my nipples hard against your chest, your cock throbbing between us. I reach down and take your cock in my small, soft warm hands, stroking and squeezing gently. You moan into my neck and pull on my neck with your teeth. We writhe against each other breathing hard, and absorbed in the touching of our bodies.

You pull my hand away, and growl, "Not yet, just let me do this baby," and you push me down to the bed gently. You run your hands all over the front of my body, down my belly around my hips, up between my breasts to my neck and into my hair. You kiss and nibble down my neck and between my breasts which are aching to be touched. You tease me, kissing down to my landing

strip, blowing on all the juices that are flowing out of my hot wet pussy. I am arching up to you begging you to touch me, to let me feel you.

You just look up at me as you lick some of my juices off my inner thighs. Oh god I want you so bad. You move back up my body to my heaving tits, but again you tease me, just holding your mouth over my nipple and breathing on it, driving me crazy. Your hard body is holding mine down, you can feel the heat from between my legs on your belly, and your cock is rock hard against my thigh.

You finally pull my nipple into your mouth making me gasp and arch up against you. My body shoots with electricity and I can't hold it, I cum for the first time, whimpering and convulsing as you roll my nipple between your lips. I drag my nails across your back and over those broad shoulders. You move back up to my neck to nibble as I am still shaking, I try to pull you into me so I can feel you fill me up. You reach down and pull my arms up, then you pin them over my head with one hand. You bite my earlobe and say, "No baby, not yet." I beg, and you ignore me, licking and nibbling and sucking on my neck and chest. You tell me not to move my hands from above my head as you go back to playing with my tits, and my rock hard nipples.

I can't believe how hot you make me. I bite my lip and try to be as good as possible. You slide down my body and stroke the insides of my thighs. I lift my knees and spread my legs, arching my hot pussy towards you. You let your fingers trail along my slit,

feeling how smooth and wet I am. You part my lips and slowly stick your finger deep inside me. I cry out, and you groan, "You're so fucking wet and tight, I'm gonna make you cum so hard..."

With no warning you run the entire length of your tongue along my clit and start twisting your finger, moving it in and out of me. You tongue and suck my clit making such hot fucking noises in the back of your throat. You don't stop, and I cry out as I start to come again. You look up long enough to tell me, "That's it. Cum all over my hands and face, I want you to cum now."

You keep your tongue moving in slow circles against my clit,

movements, I still want your cock in me, but I am so into your every touch. I just close my eyes and let you take over, focusing on the waves of pleasure you're giving me, the smell of your body and your arousal, and the heat of us being together. I feel myself on the verge again and I just let it come. Fuck baby, I'm coming again.... you make me crazy....

You pull up behind me suddenly as I'm coming and sink your throbbing cock into me from behind. You pull my body up against yours, your one arm holding me tight across my hips as you move inside of me, the other holding me back against your chest as my

as you move your finger in me rubbing my inner walls. My pussy keeps gripping your fingers as I spasm, over and over. You lightly stroke behind my knees as my orgasm subsides, sending shivers up my spine, making me curl my toes. I have been very good keeping my hands above my head while you wrack my body with pleasure. You grab my hips, and turn me over, rubbing my ass cheeks and back while I recover. You grab some baby oil and work it into my back, legs and ass, being very thorough, and massaging every nook and cranny. You rub my ass till it glows, and you can feel me relax and start to become aroused again. I feel a thrill every time your thumbs run between my ass cheeks and caress my little asshole. You reach down and stroke my pussy from behind every one in a while; I am starting to get wet again.

I sigh and make small noises as I spread my legs for you, giving your fingers better access to my pussy. I lift my hips off the bed, absorbing the feel of your fingers on my body. Your fingers tease the outside of my hot pussy, never quite going inside me. With your other hand you keep playing with my ass, making me hotter and hotter. You pull my hips up so I'm on the bed with my ass up in the air. You kneel behind me with your cock pressed up against my ass, holding my hips against your body so I can't move. "What do you want me to do?" you ask me. I reply, "Please fuck me, I want to feel your cock in my pussy!"

You think about it and say, "No, I want to see you cum again first." You move back and rub my ass again, leaning forward and giving it a little bite. You start to lick my pussy from behind, reaching around to toy with my clit. I am so wet, and I want you so badly. I want to feel you fill me up. You stick a finger inside of me and curl it down towards my pubic bone. You suck on my lips, and the backs of my thighs, your thumb pressing lightly on my clit. You keep alternating all your touches and kisses, nibbles, and finger

head rests against your shoulder. We are both kneeling upright, as you hold me tight, thrusting your cock into me, and you are whispering dirty things into my ear, "You're so sexy when you cum, keep cumming all over that cock baby."

You're all mine right now, cum hard baby." It throws me into a prolonged orgasm, all your hot breath, and dirty words as you pin me upright and move inside of me. As I start to come down off of the high you have me on, your still whispering in my ear, and nuzzling my neck. Finally breathing hard, we collapse down onto the bed. We look at each other and you smile. I tell you how amazing that was, and you just look at me and say it's easy, your very sexy. It makes me giggle and blush.

I tell you that I want you to cum too. You tell me that the night is young, we have plenty of time yet. So I say well let's see if we can make time fly. I half lay on your chest and start to kiss you, enjoying the taste of myself on your lips. My fingers running over your scalp, and along the side of your face, I search for all the little places that make you emit little moans, and quivers. Every-time I find one, I pause and stroke it lightly with my fingertips, nuzzle, and kiss it, nibble gently, reveling in all the little happy noises you make. Your neck is especially sensitive and I spend lots of time making you shiver, you even giggled a few times. I can see that this is starting to make you hot n hard. I grab a little bit of baby oil and start to rub it in to your chest and arms while you watch. I love to feel the hard muscles beneath my small hands.

I am alternately rubbing and nibbling on your shoulders, feeling your arms flex slightly as you absently stroke my back and arms with the back of your fingers. I rub, all over your chest and tummy, and I smile enjoying myself. I lightly nibble on your nipples, giving you a little evil smile. I move down and take your

shaft in my hand, lightly stroking it. I lick all the pre cum from the head and nibble down the length of the underside. I love the way you moan when I do that. I kiss and nibble all over your tummy, moving back up towards your neck. I kiss you and pull you over on top of me. You come to life, running your hands all over my body, and kissing me back. You position your throbbing cock at my tight slit and push forward.

You bury yourself deep inside me with a hoarse cry and I lock my legs around your hips. You move slowly and deeply as we roll around kissing and pushing against each other. Your arms feel so

fierce as you fuck me hard up against the shower wall, and it's my turn to growl as I lightly bite into whatever flesh I can get. I am panting and making growling noises in the back of my throat. You growl back at me, "This is how hot you make me." You keep going until you get release, and all the wind goes out of both our sails. You look at me and say to me, "I can't believe you make me that crazy." We laugh and clean off, and go make some dinner.

We are talking a bit later, you in your chair, and me on your bed, and I say, "So that's where you are always putting on your

good around me as you move faster inside me. You are breathing hard and you have a glazed look in your eyes and you just let yourself feel everything your cock feels. I meet your every stroke with my body, biting my lip, and concentrating on your movements. My tight pussy grabs your cock over and over. I wish I could feel what your feeling, because you are so into it right now. I grab your shoulders trying to pull you deeper inside of me and you grunt.

You grab me tighter and start moving harder, and I still keep up with every stroke. My hands are in your hair as I'm panting in your ears, "That's it baby, keep going, fill me up with your cock." You let out a strangled cry and thrust as far in me as you can go. You cum deep inside me, I can feel it, it starts my own reaction as I once again cum on your cock. You collapse on top of me, I love feeling your weight on top of me. We stay like that for a while, our breathing returning to normal, us dozing off.

We wake up a while later and decide to have a shower. We can't help touching each other as the hot water courses over us. We talk and laugh and soap each other up, having a good time. I can't help but reach down and grab your now "attentive" member. I kneel down in front of you and lick the head of your cock slowly. I take as much of you into my mouth as I can, swirling my tongue around the underside of your head. I suck you down into my throat as I reach up and play with your balls. The sounds of you moaning combined with the hot water coursing down my back makes me feel great. I stroke and suck and lick and kiss all the length of your cock. You curse under your breath, "Fuck baby, your soooo good." I look up at you and say, "Oh yeah? How good?" a challenge in my eyes. You pull me up and push me hard against the wall and say, "This good..."

You reach down and pull my one leg up and I lock it onto your waist as you ram your rock hard cock into me. You are

shows, huh? I love to watch your hot body as I am cleaning, or going about my day." You look at me and laugh, and say, "Yup, this is it." I go and sit on your lap, and say, "Well, how bout we put on a show of our own?" You grin and turn on your webcam, broadcasting to the world. I kiss you again and go for your neck again, because I love the sounds you make while I'm nibbling on it. You pull my shirt over my head and kiss my neck and the tops of my breasts. I shift so I can lose the bra and take my shorts off.

While I'm up, you quickly slide your sweat pants down around your ankles. I straddle you so I'm facing you and go back to worshipping your big shoulders and smooth chest. You are running your big hands all over my back and grabbing my ass. I'm grinding myself into your lap as I am getting wetter and hotter. You bury your face into my boobs, and lick and nibble on them. You pull my chest up closer to your face so you can take my nipples into your mouth as I throw my head back and whimper.

I sit up a bit so I can ease my dripping wet pussy over your straining cock. I rock back and forth, grinding myself against you as you lean back and hold me up, balancing me. We take our time as we grind against each other for the camera. With my hands around your neck and your hand on my ass, we increase our speed, going faster and harder. You suck on my rock hard nipples and drive me wild, I move faster on your cock. I can feel myself building up again as you move to match me. We keep moving harder and harder, moaning our pleasure as we get closer and closer. You grab my ass and thrust as deep into me as you can and I lose control. I start to cum wildly, hot for your body and everybody watching us. A moment later you cum with a grunt as well, pulling me onto to you as far as I can go. We rock against each other a few times more and I collapse against you. You turn off the cam.
